Isolated Low Ropes Elements

Balance Beam Poles £ 890.00
 Trees £ 800.00

Peg Pole Traverse £ 840.00 + Vat

Criss Cross Poles £1,845.00 + Vat
 Trees £1,080.00 + Vat

Giants Finger £ 300.00 + Vat

Trust Fall Platforms £ 400.00 + Vat

Dimensions:

- Diameter - Dependant on Activity and Trees
- Max Height - 4.2m
- Max Pole Depth - 1.5m

Extra Costs for Consideration

- Personal Protective Equipment (PPE). Please contact us for a competitive quote for your PPE requirements.
- Accommodation for Construction Engineers whilst on site if this cannot be supplied by the client
- Mileage to and from site - 45p per mile per work vehicle
- Flights, airport parking, connections and ferry costs were applicable
- Inaugural Inspection - Optional - Recommended - European Ropes Course Association (ERCA) - See Below
- Annual Inspection costs
- Ground Preparation and Covering - See Below
- Site Specific Training - See Below
- Fencing, footpaths and landscaping
- Planning application fees
- Insurance

Ground Cover & Surrounds

We use pea gravel because it has good drainage and does not mulch down and require topping up like bark chip and wood chips. If you would prefer wood or bark chip we can supply it. The covering is 100mm deep as a minimum, laid on a geotextile membrane to prevent foliage growing through and enclosed in a treated timber surround. We can also supply wood or bark chip and alternative rubber safety matting

Training

Staff will be trained, assessed and certified by Vertex Training, a professional and established ropes course training company. Training will include operational procedures for the ropes course, correct use of PPE, access, inspections and rescues, challenge by choice and development skills. The duration of the training course will depend on the experience of the staff using the course. Training programmes accommodate up to ten members of staff to attend a site specific training course. The daily training rate is £350.00 + Vat per day excluding mileage at £0.40 per mile and accommodation costs. **We strongly recommend that once you have a start and completion date for the construction of your ropes course, you book your training course. Call Vertex on 07776 214843 or email rcd.tae@virgin.net.**

Inaugural Inspection - Optional - Recommended

To ensure your new course complies with European Ropes Course Association (ERCA) standards, prEN 15567-1 ³safety requirements and test methods² and prEN 15567-2 ³operational requirements² the structure and supporting paper work needs to be independently checked by a Part A ERCA inspector. The course will need to be inspected on completion of the construction phase.
