

Developmental Linear High Ropes Course - Short £15 - 16 K + Vat

Option A

Option B

Features:

- Conforms to prEN 15567-1 ³safety requirements and test methods²
- Steel beams that negate the use of wire belays, reducing the area required to build and secure the course and eliminating the need for daily inspections that are required with wire cables.
- 25 year warranty on all workmanship
- Vertical Life Lines, a Ladsafe & Staples for un-belayed instructor access
- Safety signage
- Retractable or removable lower components to prevent unauthorized access
- Stainless steel belay friction points
- Zinc plated beam trolleys
- Tracer Lines
- Tested ground belay anchors
- 0.5ton chain hoist to raise the incline log
- Risk Assessments and Operating Procedures
- Occupy up to 3 Groups of 12
